### Easy and Effortless

With our Trade Show Scanner Rentals, we ensure that you receive quality barcode equipment to scan and retrieve all your leads—quickly, easily and without errors.

### Huge Selection

We have hundreds of barcode readers and portable printers for rent, so we are sure to have the equipment you need, when you need it. We carry many different types of badge scanners for scanning both 1D and 2D barcodes.

Our portable barcode readers all have built-in one-piece scanner readers. They are both rugged and reliable. Rent barcode scanners from us, and you can be certain that your data will be collected efficiently, effectively and accurately.

### Complete Kit

All of our barcode rentals ship as a complete kit, so you can start scanning badges right out of the box. Technical support is also provided as part of the rental package.

Our specialists personally ensure that all our barcode rentals include:

- Accessories
- Standard software
- Fully charged batteries
- Extra batteries

### Custom Programs

Our developers have written thousands of barcode reader programs, so we know what most people are looking for. If you need a standard lead retrieval program, we have it. If you need something more customized, we can program it quickly and economically.

### On-Time Deliveries

We get your barcode scanners to you on time and without hassle. Schedule in advance, and we'll be sure you receive the equipment on or before the date you need it. If you have a last minute need, we understand. Just give us a call and we'll do our best to accommodate your specific needs.

### Rent or Buy!

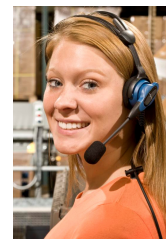

- Economical
- Fast delivery
- Complete package
- Choice of 1D or 2D
